Discover water Zorbbing at Bay Street

Zorb Balls, the newest interactive attraction from New Zealand that is taking the world by storm, will arrive in Malta mid July and run till the end of September. The Zorb Ball enables you, your friends and family to get the thrill of walking on water. Also known as Human Hamster Balls, Zorbbing is the extreme sport of rolling around in a large pool inside a giant inflatable ball.

The reviews are in and the Zorb Balls score a perfect 10! Those who have already crawled inside and rolled around report non-stop laughter and even more laughs when they try to bounce into a friend or family member inside another Zorb Ball.

The attraction at Bay Street, St Julian's, will be open in mid-July and will be operating from Monday to Sunday from 10 a.m. to 10 p.m., excluding Wednesday since every Wednesday Bay Street hosts Live on the Green, together with local artistes, from 7 p.m. to 9 p.m., which will run until the end of August. The attraction and also Live on the Green will be located only at Level 0 at Bay Street.

Among the artists expected to take part this summer in Live on the Green are Tiziana, Mikaela & Owen, Access To Band, Qwiksand Band, Ben Purlle & Je Je, Fourthtune Band, Benji & Klinsmann, Why Not's Instruments and Yorika.
