Exhibition of Autumn Colours

An old friend, Charles Bellia, and his brother Anthony are holding an exhibition of Kabuki 1600 Actors, along with a variety of prints on wood, glass and canvas at the Razzett tal-Markiz Mallia Tabone (follow the signs as you take the road past Mosta dome up to Naxxar – first left) until 17 November.

All the prints are hand-made with great love and dedication. Well worth a visit. For more information call 99805617 or 79041254.
